

ARP ESSER Planning Workbook

The guidelines for stemming learning loss are broad, so you will need to address any issues clearly in your plan. Here's a list to get you started.

FOR STUDENTS

Allowable uses	Solutions	Service Connections (if applicable)	Administrator
Conducting activities to address the needs of students from low-income families, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness and foster care youth			
Purchasing educational technology, including hardware, software and connectivity as well as assistive technology or adaptive equipment			
Summer learning and supplemental afterschool programs			
Providing mental health services and supports			
Planning for or implementing activities during long-term closures, including providing meals to eligible students and providing technology for online learning			

FOR TEACHERS/STAFF

Allowable uses	Solutions	Service Connections (if applicable)	Administrator
<p>Implementing activities to maintain operation and continuity of services and to employ existing staff</p>			
<p>Developing and implementing procedures and systems to improve the preparedness and response efforts of LEAs</p>			
<p>Other activities that are necessary to maintain operation of and continuity of services, including continuing to employ existing or hiring new LEA and school staff</p>			
<p>Providing mental health services and supports</p>
